DETAILS DEFINE THE DESIGN

FOUNDED ON PASSION

Appropriately founded in the home of bathing, Roper Rhodes was established in 1979 in the beautiful city of Bath, which we still call our home today. Over the years we have grown and changed along with the city, and our passion for design, ingenuity and creativity has never been stronger. We believe that beautiful bathrooms come from our people, whose inspiration and dedication have made Roper Rhodes what it is today.

THOUGHTFULLY DESIGNED SINCE 1979

For over forty years, we at Roper Rhodes have strived for bathroom perfection. Our dedicated team of designers has grown from just one man to a group of people obsessed with all the little details that go into making your dream bathroom. Although we are constantly creating and innovating, this collection of our most timeless pieces brings together your (and our) favourites that have stood the test of time, just like us.

INTRODUCING THE

FURNITURE

COLLECTION

WIDCOMBE

A stunning range of freestanding furniture, Widcombe pairs classic shaker-style with modern ingenuity, with our adjustable soft-close doors. Available in four painted finishes to suit any taste, with a range of bespoke handle options, we're sure you will find a piece of Widcombe that suits you. Widcombe is available with either angular or more curved styling cues.

PEWTER

A true mid-grey, Pewter is a versatile choice for whatever colour palette you are working with.

TWILIGHT

Twilight is a timeless deep blue that will add a touch of style to any bathroom, making it feel utterly distinguished.

WIDCOMBE FEATURES

Traditional cabinetry techniques combine with modern features to create Widcombe's timeless style. Featuring 5-piece doors and crafted shaker side panels. Available in a classic straight or curved styling option, along with ten handle options and four painted finishes, Widcombe is a truly customisable range.

CANVAS

A delicate off-white, Canvas is the perfect alternative to a bright white, creating a softer, more inviting mood.

PARCHMENT

Parchment creates an effortless neutral backdrop to any bathroom.

HANDLE COLLECTION

All Widcombe units are supplied with standard handles, see images on pages 18 & 19, we also offer the option to upgrade the handle to one of the nine stylish finishes and shapes showcased above. Our collection of handles and knobs are tailor-made to match perfectly with your Widcombe bathroom furniture. Ranging from classic chrome, to modern matte black, we're sure you'll find the right handle for your space.

INTRODUCING THE

BASINS & WCs

COLLECTION

HARROW

Our best-loved Harrow range of basins and sanitaryware has now expanded, offering you even more choice. Inspired by history, Harrow is a perfect match for any period home but, matched with the right furniture, it can also feel entirely modern. With a range of washstands and basins to fit any space, we're sure you will find a style you love.

HARROW FEATURES

Harrow offers a wide range of historically inspired pedestal, washstand and countertop basins, available with either one or two tap holes, as well as a sleek cloakroom sized model which will add style to even the smallest of spaces. Along with our matching WCs, our Harrow soft close toilet seats are available in a range of finishes to perfectly match Hampton furniture.

CUSTOMER SERVICE

Guarantees

Many of our products carry lengthy guarantees. Our furniture, showers, taps and MDF WC seats carry 10 year guarantees whilst our ceramics feature a 20 year guarantee with a 5 year guarantee on cistern fittings and concealed cisterns. Please see individual product sections for details. Guarantees are for domestic use only and are not transferable.

Replacement Parts

We carry extensive stocks of replacement parts and are normally able to dispatch spares within 24 hours of your request. Attention is drawn to the policy of replacing any damaged part with a spare part where possible. Complete exchanges will only be made if damage is extensive.

Product Specification

Roper Rhodes Ltd reserves the right to amend the specification of its products at any time if an opportunity to improve the product occurs. All dimensions are approximate and are quoted within reasonable tolerances.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items. If you are unsure we would recommend obtaining a swatch - see below.

Roper Rhodes furniture is designed for use within domestic installations which are adequately ventilated and is not suitable for installation in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

Swatch Sample Service

If you would like to request a finish swatch sample (maximum of 3), please either visit our website or contact a member of our customer service team who will be happy to assist with your request.

Pricing

All prices quoted are inclusive of Value Added Tax, which will be charged at the rate applicable on the date your product is despatched. The prices charged will be those ruling at the date of despatch and Roper Rhodes cannot be held responsible for any errors or omissions in this brochure.
